HDMI DEEMBEDDER-4K

Milestone Electronics Pvt. Ltd.

HDMI Deembedder

Milestone's ML HDHA-4K extracts analog Stereo Audio from HDMI Input & also gives buffered HDMI Output. It allows to enjoy their high definition image & sound when watching movies or playing video games. It offers solutions for digital entertainment centre, HDTV retail and show site, HDTV, STB, DVD and Projector Factory, noise space and security concerns, data centre control etc. where Audio Output is required to be separated from HDMI Input.
